

osteو.digital

Information sheet

1. Our offer and process

We handle everything from initial consultation to final launch. Our team works closely with you to understand your needs, create a tailored design, develop the website, and ensure everything runs smoothly. Once completed, we provide support and revisions if required.

What you will receive:

- A high-quality custom design
- Powerful hosting
- Responsive website (mobile and tablet friendly)
- Built-in SEO
- Website security
- Unlimited revisions during the building process
- Support and revisions after publishing if needed

2. Pricing Details

Website Packages:

One-Page Website - 699 CAD

A single-page website, perfect for quickly showcasing essential information about your osteopathy practice.

Multi-Page Website - 1,299 CAD

A more comprehensive website with multiple pages to better structure content. Suitable for osteo businesses who want to go more into detail about their practices and have multiple features on the site.

Premium Website Package - 3,999 CAD

A fully custom, high-end website with advanced features, tailored design, and in-depth optimization for osteo businesses looking for a premium online presence.

Other Fees:

Hosting & Maintenance: 10 CAD/month

Revisions & Changes: 30 CAD/hour

3. Frequently Asked Questions (FAQ)

How long does it take to build a website?

A one-page website takes about 1-2 weeks.

A multi-page website takes 2-4 weeks.

A premium website can take 4-6 weeks or more, depending on complexity.

Do you offer revisions after publishing?

Revisions and changes after publishing are billed at 30 CAD/hour.

Do you provide hosting and domains?

We provide high-quality hosting at a low cost. We can also provide a domain at market price or assist you in purchasing one.

What payment methods do you accept?

We accept bank transfers, PayPal and Interac e-Transfer.

Do you offer refunds?

Due to the nature of custom work, we do not offer refunds once the project has started. However, we ensure client satisfaction through a detailed consultation before development begins.
